

Specialists in endoscope reprocessing for more than 35 years!

WASSENBURG® End User Portal

COMPLIANT AND CERTIFIED END USERS AT ALL TIMES

WASSENBURG® End User Portal is an online administration and training platform for all certified end users of WASSENBURG® equipment. The digital end user portal provides real-time insights in the WASSENBURG® equipment certification status of all employees. Furthermore, the portal provides WASSENBURG® equipment training modules to recertify the user.

TECHNOLOGY AND KNOWLEDGE A PERFECT COMBINATION

WASSENBURG® End User Portal provides e-learning modules of all WASSENBURG® equipment for all users to enable them to keep up to date with the latest training. Online training means users can follow the e-learning modules by themselves, anywhere, anytime, keeping users compliant and certified at all times.

A real-time overview of certified users can be found in the portal . Users receive a certificate after successfully finishing each e-learning module.

BENEFITS OF THE WASSENBURG® END USER PORTAL

- Provides real-time insights in the WASSENBURG® equipment certification status of all employees.
- Up-to-date certification guaranteed. Each user will automatically be reminded to refresh their knowledge yearly on WASSENBURG® equipment during the lifetime of the machine.
- Flexible method for employees to follow the training modules.
- Less interruptions to daily operations (individual training when it suits the organisation).
- Training and information is always consistent, giving all users access to accurate and current information on the equipment they work with.

HOW IT WORKS

- Step 1:** Receive initial onsite user training by Wassenburg trainer.
- Step 2:** Register and receive link to portal.
- Step 3:** Follow the training modules anytime, anywhere, on any device.
- Step 4:** Receive certificate.
- Step 5:** Recertification: Receive invitation after 11 months to follow the updated training modules for recertification.

Modules available for selected WASSENBURG® endoscope washer-disinfectors and drying & storage cabinets. Please contact your Wassenburg account manager for a demonstration or more information.
